REVIEW COMMENTS

SC Sarah Chen (Client) Jun 2, 14:22 Love the direction. Can we explore lighter weight on wordmark? Feels heavy at small sizes.	JK Jamie Kato (Design Lead) Jun 2, 16:05 Agreed — will try Light/300 weight with increased tracking. Options by EOD tomorrow.
AM Alex Moore (Art Director) Jun 3, 09:12 Colour proof: warm nude sits closer to Pantone 720C than 719C. Updating swatch file now.	SC Sarah Chen (Client) May 28 The secondary version on dark background looks great — approved. Resolved ✓
